Dear Supporting Pastors, Churches, and Praying Friends.

**VISITED WA FOR FAMILY EVENTS.**

Jae and I visited WA for family events in June for a month. Our grandson David graduated from the high school on the 12th. Our granddaughter Jocelyn had graduated from her high school last year, but I had not been able to travel due to an illness of a member in the church. Jae had travelled alone for her graduation last year. This year the Lord allowed both of us to travel to attend and to see our family, and it was a great blessing. Jocelyn is now a college student at UW Tacoma and David is going to start his college education at the same campus this September. We'd appreciate your prayers for their growth and spiritual life.

Besides David's graduation, our youngest nephew Jaewoo Lee married to his beautiful bride Wenny Nuyen on the 30th of June. We were not able to attend the wedding due to pre-scheduled church visits, but we had a time to pray God's blessing upon them the week before. Please pray for the newly weds that they would build a home honoring God.

We also had a family vacation to Victoria, BC for a few days with our daughter Libby and our grandchildren. It was a refreshing time and we all enjoyed our time together very much. On the 6th of July, we celebrated Jocelyn's 19th birthday and left for Korea on the 11th of July. Jae and I are very grateful to the Lord for the time we could share with our family and relatives.

**VISITED HOME CHURCH AND A FEW SUPPORTING CHURCHES.**

While we were in WA, we took some time to visit our home church, Riverview Baptist Church in Pasco, WA. It was sweet to see our old friends at the Church, Koreans and Americans, after a long absence. We missed our pastor, Dr. John Paisley, who was out of town on a preaching trip, but it was a blessing to know that the church is doing well.

We visited some of our supporting churches in WA and gave ministry report. A couple of them had changes in the leadership and it was good to see our friends took these churches and to see our supporting friends in these churches again.

**UPCOMING FAMILY CAMP.**

Now we are back in Sejong, S. Korea! Time to work again! Our church family camp is scheduled for the last week of July. The camp theme of this year is "Remove not the Ancient Landmark!" (Prov. 22:28) Please pray that the Lord would lead and help me to be ready to teach and preach the Bible truths and edify our people.

Again, thank you very much for your prayers and help for our ministries in S. Korea! Please continue to pray that more souls would be saved and His children would grow in the knowledge of our Lord Jesus Christ in our churches.

**PRAYER REQUESTS.**

- 1) Salvations of friends and families    2) Christian Character Class.
- 3) Discipleship program.    4) Our Family in the U.S.
